

Predictable

Delta Goodrem

This song is very cool. Theres some pretty fast chord changes in this so watch out for them.

This is 100% correct, i should know.

Standard tuning

I havnt tabbed the intro because it is totally piano based

Verse 1

Em **C**
I smile you say I take your breath away
D **Em**
You say you love me and you make
C
all the right promises to break
D **Em**
And when i turn around
C
You re always there like thats the proof
D
you really care
Em **C** **D**
But I see right through you and I think to my self

Chorus

C **D** **Em** **D**
You re just so predictable in every way I
C **D** **Em** **D**
I want you to know I know your game
C **D** **Em** **D** **C**
Its so unbelievable how you never change
D **Em**
You won t get away
C **D**
With loving me you re just so predictable

Verse 2

Em **C**
You say you wont give up the chase
D **Em**
You say you ll follow me any place
C
So you can make the same mistakes
D **Em**
You know just what to do

C

And how to use, the best for you

D

Em

To try and change my mind

C

My eyes are opening this time

C

D
