

War On Love

Delta Goodrem

I love this song so I was just playing around with my ukulele and it ended up working really really well! Comments would be really appreciated!

Em C, G, D

Em C G D  
So I stand on this hill with, my flag held high.

Em C G D  
With the will to survive, bullets flying by.

Em C  
Broken hearts scattered on this battlefield,  
G D  
Holding out on to something real.

Em C  
I won t give in, I won t give up,  
G D  
Fight the hope in this war on love.

Em C  
All the dust has settled,  
G D  
I can finally see.

Em C  
Itâ€™m crawling from the wreckage  
G D  
Itâ€™s brought me to my knees.

Em C  
Deep inside there s a hunger  
G D  
Waiting for something true,

Em C  
The light on the horizon  
G D C Dsus4 D  
Unanswered prayers belong to someone like you.

Em C G D  
So I stand on this hill with, my flag held high.

Em C G D  
With the will to survive, bullets flying by.

Em C  
Broken hearts scattered on this battlefield,  
G D  
Holding out on to something real.

Em C  
I won t give in, I won t give up,  
G D  
Fight the hope in this war on love.

**Em** **C**  
I m gonna hold my ground,  
**G** **D**  
Broken arrow in my hand.  
**Em** **C**  
Iâ€™m gonna hold it high above,  
**Em** **G**  
Yeah, I won t back down.  
**Em** **C**  
I can see that the smoke is clearing,  
**G** **D**  
Dust and thunders passing by,  
**Em** **C**  
And my heart is calling out,  
**G** **D** **C** **Dsus4** **D**  
Lets me know that I am still alive.

**Em** **C** **G** **D**  
So I stand on this hill with, my flag held high.  
**Em** **C** **G** **D**  
With the will to survive, bullets flying by.  
**Em** **C**  
Broken hearts scattered on this battlefield,  
**G** **D**  
Holding out on to something real.  
**Em** **C**  
I won t give in, I won t give up,  
**G** **D**  
Fight the hope in this war on love.

**Em** **C**  
Iâ€™m calling out, can you hear the sound  
**G** **D**  
Of the drum that I m beating so loud.

**Em** **C** **G** **D**  
So I stand on this hill with, my flag held high.  
**Em** **C** **G** **D**  
With the will to survive, bullets flying by.  
**Em** **C**  
Broken hearts scattered on this battlefield,  
**G** **D**  
Holding out on to something real.  
**Em** **C**  
I won t give in, I won t give up,  
**G** **D**  
I fight for this, in this war on love

**Em C G D**

**Em** **C**  
I wonâ€™t give in, I wonâ€™t give up,  
**G** **D**

I fight for this, in this war on love

**Em C G D Em...**
