

Strange Vine  
Delta Spirit

Capo 2

**A**  
It's such a strange vine wrapped around my neck bone twisted up  
**D** **Dm** **A**  
between my stem Between my stem

**A**  
I'm tripping and fallen over things we just couldn't get over  
**D** **Dm** **A**  
I tried my best Get it off my chest

**Bm** **A**  
Songs we never wrote  
**Bm** **A**  
Seeds they wouldn't sow

**E**  
We're taken it all to the end  
**Bm** **A**  
And we're planting our own garden

**A**  
The sun came while you were shining the time flew while we were writing  
**D** **Dm** **A**  
Symphony in the key of B

**A**  
Songs that had lost their luster finally they found their color  
**D** **Dm** **A**  
Oh

**Bm** **A**  
Songs we never wrote  
**Bm** **A**  
Seeds they wouldn't sow

**E**  
We're taking it all to the end  
**Bm** **A**  
And we're planting our own garden

Interlude: **D - A**

**A**  
We made jokes about starting a new band 6 years working this whole plan

**D** maybe Iâ€™ll make a home with you **Dm** **A**

**A**  
its been a straight life and it s preacher living these break lights city limits  
**C#m** **D** **A**  
I canâ€™t afford the truth

**C#m** **D** **A**  
We are two indians in the same canoe  
**C#m** **Bm** **A**  
Maybe Iâ€™ll just start something new

**E**  
Weâ€™re taking it all to the end  
**Bm**  
And weâ€™re planting our own garden

Repeat twice

And there you have it
