1, 2, 3, Goodbye
Demi Lovato

(intro) **Ebm7 B9 F# C#/F#**

Ebm7   **B9**
Take care of your self darling
            F#   **C#/F#**
I guess, I guess this is goodbye.
Ebm7   **B9**
Tomorrow s coming quicker than yesterday
      F#
Came today.
                  C#/F#
I guess this is goodnight.
      G#m
But we ve all got one night together
B9
So let s start the party.
      F#   **C#**
You know we rocked. Promise you won t forget about me.

(chorus)
F#   **C#/F#**   **Ebm7**
These moments spent are coming to an end
                              B9
I m counting seconds until next time begins
        F#   **C#/F# Ebm7**
Listen: 1,2,3,4,5
B9
6,7,8,9.
                  G#m
We couldn t change it if we tried,
      C#   **F#**
1,2,3,4. goodbye.

(**F# C#/F#**)

Ebm7   **B9**
We ve all said before our time is here
        F#   **C#/F#**
But it never meant a thing until we begin to tear.
Ebm7   **B9**
And I ll be aching before and after we depart
F#   **C#/F#**
From remembrances of the very start.
            G#m
The grand memories together...

The grand memories together.

```
    B9                        G#m
Now here I am, it s your song I ll be singing
          C#
You re the voice I hear inside my head.

(chorus)
F#                          C#/F#        Ebm7
These moments spent are coming to an end
                        B9
I m counting seconds until next time begins
        F#          C#/F# F#
Listen: 1,2,3,4,5
B9
6,7,8,9.
            G#m
We couldn t change it if we tried,
   C#         F#
1,2,3,4. goodbye.

( F# C# )

G#m                 B9
We ve raised our voices
F#                 Ebm7
We ve followed our dreams
G#m                      B9
One thing who will I be you ask?
          G#m
Well we ll never be too cool
    B9          C#
For Camp Rock three

(chorus)
F#                          C#/F#        Ebm7
These moments spent are coming to an end
                          B9
I m counting seconds until next time begins
        F#          C#/F# F#
Listen: 1,2,3,4,5
B9
6,7,8,9.
            G#m
We couldn t change it if we tried,
   C#         F#
1,2,3,4. goodbye.
```
