

Anyone

Demi Lovato

Intro:

F# C#m E B

Uh, uh

F#

I tried to talk to my piano

C#m

I tried to talk to my guitar

E

Talked to my imagination

B

Confided in to alcohol

F#

I tried and tried and tried some more

C#m

Told secrets til my voice was sore

E

Tired of empty conversation

B

Cause no one hears me anymore

F#

A hundred million stories

And a hundred million songs

C#m

I feel stupid when I sing

E

Nobody s listening to me

B

Nobody s listening

F#

I talked to shooting stars

But they always get it wrong

C#m

I feel stupid when I pray

E

So, why am I praying anyway?

B

If nobody s listening

F#

C#m

Anyone, please send me anyone

E

Lord, is there anyone?

B

I need someone

F# C#m

Anyone, please send me anyone

E

Lord, is there anyone?

B

I need someone

Instrumental

F# C#m E B

F#

I used to crave the world's attention

C#m

I think I cried too many times

E

I just need some more affection

B

Anything to get me by

F#

A hundred million stories

And a hundred million songs

C#m

I feel stupid when I sing

E

Nobody's listening to me

B

Nobody's listening

F#

I talked to shooting stars

But they always get it wrong

C#m

I feel stupid when I pray

E

So, why am I praying anyway?

B

If nobody's listening

F# C#m

Anyone, please send me anyone

E

Lord, is there anyone?
