

## Avalanche

Demi Lovato

**G#m**                    **E**                    **B**  
Words like a loaded gun  
**G#m**                    **E**                    **B**  
Shot out from a fire tongue  
**G#m**                    **E**    **B**  
Love lost from a fight that was won  
   **G#m**                    **E**  
And I can see you breaking down  
   **B**  
The end to a falling out

**G#m**    **E**    **B**  
I got pride you can t hold your breath  
**G#m**    **E**    **B**  
We ll crash down like an avalanche  
**G#m**    **E**    **B**  
Look out now, don t take one more step  
**G#m**    **E**    **B**  
We ll crash down like an avalanche, avalanche

**G#m**    **E**    **B**  
I never wanted it to turn out this way  
**G#m**    **E**    **B**  
Now forever feels like yesterday  
**G#m**    **E**    **B**  
Sorry something that I just can t say  
   **G#m**                    **E**  
Can you see me breaking down  
   **B**  
The end to a falling out

**G#m**    **E**    **B**  
I got pride you can t hold your breath  
(Even if we survive)  
**G#m**    **E**    **B**  
We ll crash down like an avalanche  
(Crash down, crash down)  
**G#m**    **E**    **B**  
Look out now, don t take one more step  
(Even if we survive)
