

Avalanche

Demi Lovato

Bm **G** **D**
Words like a loaded gun
Bm **G** **D**
Shot out from a fire tongue
Bm **G** **D**
Love lost from a fight that was won
 Bm **G**
And I can see you breaking down
 D
The end to a falling out

Bm **G** **D**
I got pride you can t hold your breath
Bm **G** **D**
We ll crash down like an avalanche
Bm **G** **D**
Look out now, don t take one more step
Bm **G** **D**
We ll crash down like an avalanche, avalanche

Bm **G** **D**
I never wanted it to turn out this way
Bm **G** **D**
Now forever feels like yesterday
Bm **G** **D**
Sorry something that I just can t say
 Bm **G**
Can you see me breaking down
 D
The end to a falling out

Bm **G** **D**
I got pride you can t hold your breath
(Even if we survive)
Bm **G** **D**
We ll crash down like an avalanche
(Crash down, crash down)
Bm **G** **D**
Look out now, don t take one more step
(Even if we survive)
Bm **G** **D**
We ll crash down like an avalanche, avalanche
(Crash down, crash down)
Bm **G** **D**
Ooooh, ooooooh, oooo-oooooh
We ll crash down, yeah
Bm **G** **D**
