

Bad Chick
Demi Lovato

Ebm
Got boys on the run, baby
They be chasing all day
Go back and pick it up
Mr. Drop Your Game

Ebm
If you come at me, better
Know what to say
You re talking to a bad chick
Yeah, I m a bad chick

Ebm
See as far as me
I ll be handlin my shit
They try to bring me down
But i m never gonna quit
Forgive if they don t know
Who they re messin with

Ebm
Yeah, I m a bad chick
Yeah, I m a bad chick

Ebm
I don t wanna break
But I might
When you re this bad
It s alright
How s it feel to be on
The other side?

Ebm
Future so bright
Flashlight
Couldn t stop me
Even if you try
I know you re scared
Stage fright

B **G#m**
Oh, look who s laughing now
Remember how

Ebm
You build me up
To bring me down
You build me up

Ebm **C#**
To bring me down

You're throwing stones
In a glass house
Wonder why it's fallin' down

Ebm
Look at me, look at you
Worked hard, paid my dues
Covergirl, you're old news

Remember how
