F G Am

Used to dread the month of June

F G Am

Cause it reminded me of you

C Am G

And always came around too soon, not anymore

F G Am

A part of me I had to find

F G Am

Cause it was killin me inside

C Am G

Yeah, you were always like a bye I wasn t ready for

F

Yeah, I figured this was something I deal with my whole life

Am

Stop pushin my past to the side

C

This is what it s posed to feel like

G

Now I look up and I see you in the sky

F G Am

Butterfly, butterfly, butterfly

F G Am

Butterfly, butterfly, butterfly

F G Am

Butterfly, butterfly, butterfly

G

High

F G Am

Forgiveness is the hardest truth

F G Am

It s something that you have to choose

F G Am G

Well, at least I got my heart from you, that much I m grateful for

F G Am

I know because you lie and taught me bout honesty, honesty

F G Am

You leave and gave me my loyalty, loyalty

F G Am

I m growin into who I m meant to be, yeah

**G**

No more lookin for a sign

**F**

This is something I deal with my whole life

**Am**

Stop pushin my past to the side

**C**

This is what it s posed to feel like

High

**Bb**

**F**

Oh, it was painful, it was needed

**C**

See you changin right in front of me

**Bb**

You were never really graceful

**F**

Now you re just what you re supposed to be

**F**

I can feel you, like I need to

**C**

**Bb**

I can see you, flyin over me

**F**

Flyin over me, oh

**F**
