

Carefully
Demi Lovato

Intro

| D | D | D | D |
| C | C | G | G |

D

Approach with caution, I can get overwhelming

D

But in the best way

C

So babe, if you think you can handle me

G

Please, handle me carefully

D

Intoxicating, my insecurities don't take vacations

D

C

So babe, if you think you can handle me

G

Please, handle me carefully

F

Cause I'm strong in a way

C

D

That I know how to show you my fragile

F

She'll be gone in a minute

C

D

If you don't think you're lucky to have her

Am

So, if you think you can handle me

G

D

Please, handle me carefully

Am

I could be your favorite dream

G

D

Baby, nobody can love you like I do

D

Yeah, I'm impressive, I know my superpowers

D

Now you're invested

C

I know you wanna come and lay with me

G

Fall asleep right next to me

D

I m only human, I spent the last years runnin
D
 But since I met you, I ain t runnin from nothing
C
 Babe, you could be
G
 Just exactly what I need

F
 Cause I m strong in a way
C **D**
 That I know how to show you my fragile
F
 I ll be gone in a minute
C **D**
 If you don t know how lucky your hands are

Am
 So, if you think you can handle me
G **D**
 Please, handle me carefully
Am
 This could be my favorite dream
G **D**
 Tell me, nobody could love me like you do

F **C** **D**
 Forever doesn t seem long enough anymore

 (Don t mess things up)
F **C** **D**
 No, forever doesn t seem long enough anymore, oh
F **C** **D**
 No, forever doesn t seem long enough anymore, oh
F **C** **D**
 No, forever doesn t seem long enough anymore

Am
 So, if you think you can handle me
G **D**
 Please, handle me carefully
Am
 I could be your favorite dream
G **D**
 Nobody can love you like I do
