Cry, baby
Αm
How could someone so beautiful be so damn ugly?
I guess I m naive
Cause everytime I start tripping, slipping then I m falling too deep
Stuck in a bad dream
     Am
I, I, I
You and I
Get along like fire to a plane
         Αm
You, ooh, ooh
                              G
Make me feel like I m fucking going so insane
        Am
Congratulations, celebration
Cause my heart is the hardest to break
Break up to make up
Just to wake up with mascara all over my face
And I m no cry baby, but you make me cry lately
I m no cry baby, but you make me cry, baby
I m no cry baby, but you make me cry lately
I m no cry baby, but you make me cry, baby
Cry, baby
