

Daddy Issues

Demi Lovato

[Intro] G Bm Em D

I call you too much

You never pick up

Except when you wanna fuck

And I can't get enough

You're the man of my dreams

Cause you know how to leave

But I really believe that you'd change it for me

You're unavailable (unavailable)

I'm insatiable

Lucky for you, I got all these daddy issues

What can I do?

I'm going crazy when I'm with you

Forget all the therapy that I've been through

Lucky for you

I got all these daddy issues (all these daddy issues)

Daddy issues, uh

Daddy issues, uh

Don't know how to commit

But I might want your kid

And after our first kiss

Got your name on my wrist

G

Yeah, I get a little obsessive

Em

A little aggressive, a little bit too invested

D

And whatever you want, whenever you want

That's what you get 'cause
