Thanks for looking at these tabs!

NOTICE: The only one of these that I wrote is Nightingale. For the rest, I simply

took the one with the highest rating and put all the songs into one that make up

the entire Demi album. Demi Lovato is my favorite artist and people have made these for Donâ€™t Forget and Here We Go Again but not Unbroken or Demi, so I made one for Demi.

Have an amazing day, stay strong, and God Bless fellow Lovatics!
