For You
Demi Lovato

Intro: **F7   Bm   C**

F7   Bm   C
Reasons why you run don`t make you a good man
F7   Bm   C
Yes, I understand
F7   Bm
You were on time at the wrong time
           C
I was debating but tried, and I don`t know why
F7   Bm   C
You can act cold on a dime and so out of line

Refrão:
C
For you
                   G
I d do anything for you
                       A#
Nail my heart to the ceiling
                           F
I d put my fist through a wall
C
How come (how come)
                     G
I stick around when I break down (break down, break down)
                   A#
I take the blows like a champion (champion, champion)
                       F
But I get nothing at all

F7   Bm   C
Reasons for my hope, all make me a big joke
F7   Bm C
I already know
F7   Bm
You were just fine, I was just fine
             C
Why did we turn a good time to a dark one?
F7   Bm   C
I`d give you a chance but the better man never called

Refrão:
C
For you
                   G
I d do anything for you (for you for you)

```
                      A#
Nail my heart to the ceiling (ceiling ceiling)
                            F
I d put my fist through a wall
C
How come (how come)
                          G
I stick around when I break down (break down, break down)
                        A#
I take the blows like a champion (champion, champion)
                    F
But I get nothing at all
                      C   G
But I get nothing at all (ôoooooooôôoooooh)
                  A#      F
I get nothing at all (ôoooooooôôoooooh)

Interlúdio:
C
For you, I d do
            G
Anything for you, I would do
          A#
Anything for you, I would do
          F
Anything for you, I would do anything

Refrão:
        C
For you
              G
I d do anything for you
                  A#
Nail my heart to the ceiling (ceiling, ceiling)
                      F
I d put my fist through a wall
C
How come (how come)
                    G
I stick around when I break down (I stick around when I break down)
                      A#
I take the blows like a champion (champion, champion)
                  F
But I get nothing at all
(But I get nothing)
                      C     G
But I get nothing at all (ôoooooooôôoooooh)
                  A#     F
I get nothing at all (ôoooooooôôoooooh)

Interlúdio Final:
C
For you, I d do
```

```
            G
Anything for you, I would do
              A#
Anything for you, I would do
              F
Anything for you, I would do anything
```

```
            G
Anything for you, I would do
              A#
Anything for you, I would do
              F
Anything for you, I would do anything
```
