

Forget

Demi Lovato

I played this with my capo on third fret after listening to her first public performance of it...if it s not 100% correct, sorry! It sounds mostly right to me. :)

C

Did you forget

G

That I was even alive

Am

Did you forget

F

Everything we ever had

C

Did you forget

G

Did you forget

C

About me

C

Did you regret

G

Ever standing by my side

Am

Did you forget

F

What we were feeling inside

C

No more left

G

To forget

C

About us

F

C

G

But somewhere we went wrong

F C G

We were once so strong

F

C

G

Our love is like a song

F

You can t forget it

C

But now I guess

G

This is where we have to stand

Am

Did you regret

F

Ever holding my hand

C

Never again

G

Please don't forget

C

Don't forget

C

We had it all

G

We were just about to fall

Am

Even more in love

F

Than we were before

C

I won't forget it

G

I won't forget

C

About us

F

C

G

But somewhere we went wrong

F C G

We were once so strong

F C G

Our love is like a song

F

You can't forget it

F C G

Somewhere we belong

F C G

We were once so strong

F C G

Our love is like a song

F

You can't forget it

F, C, G x4

Yeah

Oooho

C

And at last

G

All the pictures have been burned

Am

And all the past

F

Is just a lesson that we learned

C

I won't forget it

G

I won't forget

C

Us

F C G

But I saw where we went wrong

F C G

Our love is like a song

F C G

But you wont sing along

F C

You ve forgotten about us
