

**Heart By Heart**  
**Demi Lovato**

Hey, so this is a song that s going to be on The City of Bones Soundtrack.  
Cannot  
wait!! Sounds amazing already, Demi s vocals are on point! The whole track  
sounds  
incredible. Listen to the extended preview here -  
<https://soundcloud.com/lilblueangel/demi-lovato-heart-by-heart-1>

Enjoy.

This is a really easy song it s basically 4 chords so far.

Standard tuning - E/A/D/G/B/E

Chords used are G#, F#, E, D#m - You can either play them as 5th chords (Power  
chords) or as full chords.

I m not 100% certain on the pre-chorus so if it s wrong then I apologize...

Verse -

**G#**                    **E**                    **F#**  
When your soul finds the soul it was waiting for  
**G#**                    **E**                    **F#**  
When someone walks into your heart through an open door  
**G#**                    **E**                    **F#**                                    **G#**    **E**  
When your hand finds the hand it was meant to hold  
   **F#**  
Don t let go

Pre-Chorus -

**D#m**                                    **F#**  
Someone comes into your world  
**G#**  
Suddenly your world has changed forever

Chorus -

**G#**                    **E**                    **F#**  
No there s no one else s eyes  
That could see into me  
**G#**                    **E**                    **F#**  
No one else s arms can lift  
Lift me up so high  
**G#**                    **E**                    **F#**  
Your love lifts me out of time

And you know my heart by heart

**G# E F#**

(Repeat)

When you re one with the one you were meant to be find  
Everything falls in place, all the stars align  
When you re touch by the light, and let it touch your soul  
Don t let go  
Someone comes into your life  
It s like they ve been in your life forever

No there s no one else s eyes  
That could see into me  
No one else s arms can lift  
Lift me up so high  
Your love lifts me out of time

**Bb**

And you know my heart by heart

Bridge

**Bb**                      **Eb**                                      **Bb**  
So now we ve found our way to find each other

**Eb**                                      **F#**  
So now I found my way, to you

No there s no one else s eyes  
That could see into me

No there s no one else s eyes  
That could see into me  
No one else s arms can lift  
Lift me up so high  
Your love lifts me out of time  
And you know my heart by heart

And you know my heart by heart

And you know my heart by heart

And you know my heart by heart
