

In Real Life
Demi Lovato

Intro 2x: **Am G F E**

Verso:

Am G
In real life I m waking up alone.
F E
It s one more night you didn t make it home.
Am G F E
And one more time you won t pick up the phone.
Am G
In real life you never bring me flowers.
F E
When you re here, it s only for an hour.
Am G F E
I m getting used to being on my own.
Am G
Because in real life you re not what I thought.
F E
Real life, this isn t what I want.
Am G F E
Guess things aren t always what they seem.

Refrão:

C
But in my dreams, I m waking up to roses,
Am C
Champagne, kisses and I know it s always, always
F
Gonna be, gonna be this way.
C
In my dreams, you re standing right beside me.
Am
Two hearts finally colliding.
C F Am
Then I wake up and realize, realize this is real life.

(**Am G F E**) (2x)

Verso:

Am G
In real life it doesn t always work out.
F E
People fall in love and then they fall out.
Am G F E
Hearts can break and never make a sound.
Am G
Because in real life you re not what I thought.

F **E**
Real life, this isn't what I want.
Am **G** **F** **E**
Guess things aren't always what they seem.

Verso:

C
But in my dreams, I'm waking up to roses,
Am **C**
Champagne, kisses and I know it's always, always
F
Gonna be, gonna be this way.
C
In my dreams, you're standing right beside me.
Am
Two hearts finally colliding.
C **F** **Am**
Then I wake up and realize, realize this is real life.

Ponte:

Am **G**
Just when I thought this was all real life could be,
F **E**
Somebody came along and made my dream reality.

C
And now in real life, waking up to roses,
Am **C**
Champagne, kisses and I know it's always, always
F
Gonna be, gonna be this way.
C
In my dreams, he's standing right beside me.
Am
Two hearts finally colliding.
C **F** **Am**
Then I wake up and I realize, realize this is real life.
