

Lightweight
Demi Lovato

Hehe this is my first (:

I did all this by ear, the end might be wrong. I m not so sure but yeah :D

Capo on 2nd/3rd (however you want)

[Verse]

G
The slightest words you said,
C
Have all gone to my head
Em **D**
I hear angels sing, in your voice
G
When you pull me close,
C
Feelings I ve never known
Em
They mean everything,
D
And leave me no choice

[Pre-Chorus]

G
Light on my heart,

Light on my feet,
D
Light in your eyes,

I can t even speak
Em
Do you even know,
D
How you make me weak

[Chorus]

G **D**
I m a lightweight better be careful what you say
Em
With every word I m blown away
D
You re in control of my heart

G **D**
I m a lightweight easy to fall easy to break
Em
With every move my whole world shakes
D
Keep me from falling apart

[Verse]

G
Make a promise, please
C
You ll always be in reach
Em
Just incase I need
D
You there when I call (here when I call)
G
This is all so new
C
Seems to good to be true
Em
Could this really be
D
A safe place to fall

[Pre-Chorus]

G
Light on my heart,

Light on my feet,
D
Light in your eyes,

I can t even speak
Em
Do you even know,
D
How you make me weak

[Chorus]

G **D**
I m a lightweight better be careful what you say
Em
With every word I m blown away
D
You re in control of my heart

G **D**
I m a lightweight easy to fall easy to break
Em

With every move my whole world shakes

D

Keep me from falling apart

[Bridge]

Em

Keep me from falling down

G

Drowned in your love

Em

G

It s almost all too much

Em

G

Handle with care

Em

D

Say you ll be there

[Chorus]

G

D

I m a lightweight better be careful what you say

Em

With every word I m blown away

D

You re in control of my heart

G

D

I m a lightweight easy to fall easy to break

Em

With every move my whole world shakes

D

Keep me from falling apart

C

G

Keep me from falling apart

Em

Keep me from falling apart

Oh ohhh

Falling apart
