

Lonely (feat. Lil Wayne)  
Demi Lovato

**Bbm**

He felt just like you

**Fm**

His arms, his lips, his promises

**F#**

Were just as smooth

**C#**

**Bbm**

His grip, it fit though I admit that only you

**Fm**

Could make me feel the way you do

**F#**

Though you know love is blind

**C#**

And he just caught my eye

**Bbm**

You know me

**Fm**

And honestly I m better without ya

**F#**

**C#**

Don t you got me checking on my phone by the hour

**Bbm**

Baby, I m hoping and praying

**Fm**

My knees weak, I m shaking

**F#**

**C#**

Cause you know that I always needed saving

**Bbm**

Now I m fucking lonely

**Fm**

And you didn t want me

**F#**

Trying to show me that you didn t own me

**C#**

**Bbm**

But all you do is leave me fucking lonely

**Fm**

Knees on the concrete

**F#**

Cut up and bleeding for no Goddamn reason

**C#**

**Bbm Fm**

But all you do is leave me fucking lonely

**F# C#**

Leave me fucking lonely

**Bbm Fm**

Leave me fucking lonely

**F# C#**

Leave me fucking lonely

**Bbm**

The month was June

**Fm**

The smoky sun, our fatal run

**F#**

It ended too soon

**C#**

With tears and proof

**Bbm**

Cause all the carpets stained with juice

**Fm**

Blood on my shoes

**F#**

And you know love is blind

**C#**

I can see it in your eyes

**Bbm**

You know me

**Fm**

And honestly I m better without ya

**F#**

**C#**

Don t you got me checking on my phone by the hour

**Bbm**

Baby, I m hoping and praying

**Fm**

My knees weak, I m shaking

**F#**

**C#**

Cause you know that I always needed saving

**Bbm**

Now I m fucking lonely

**Fm**

And you didn t want me

**F#**

Trying to show me that you didn t own me

**C#**

**Bbm**

But all you do is leave me fucking lonely

**Fm**

Knees on the concrete

**F#**

Cut up and bleeding for no Goddamn reason

**C#**

**Bbm Fm**

But all you do is leave me fucking lonely

**F# C#**

Leave me fucking lonely

**Bbm Fm**

Leave me fucking lonely

**F# C#**

Leave me fucking lonely
