

Lonely (feat. Lil Wayne)

Demi Lovato

Bbm

He felt just like you

Fm

His arms, his lips, his promises

F#

Were just as smooth

C#

Bbm

His grip, it fit though I admit that only you

Fm

Could make me feel the way you do

F#

Though you know love is blind

C#

And he just caught my eye

Bbm

You know me

Fm

And honestly I m better without ya

F#

C#

Don t you got me checking on my phone by the hour

Bbm

Baby, I m hoping and praying

Fm

My knees weak, I m shaking

F#

C#

Cause you know that I always needed saving

Bbm

Now I m fucking lonely

Fm

And you didn t want me

F#

Trying to show me that you didn t own me

C#

Bbm

But all you do is leave me fucking lonely

Fm

Knees on the concrete

F#

Cut up and bleeding for no Goddamn reason

C#

Bbm Fm

But all you do is leave me fucking lonely

F# C#

Leave me fucking lonely

Bbm Fm

Leave me fucking lonely

F# C#

Leave me fucking lonely

Bbm

The month was June

Fm

The smoky sun, our fatal run

F#

It ended too soon

C#

With tears and proof

Bbm

Cause all the carpets stained with juice

Fm

Blood on my shoes

F#

And you know love is blind

C#

I can see it in your eyes

Bbm

You know me

Fm

And honestly I m better without ya

F#

C#

Don t you got me checking on my phone by the hour

Bbm

Baby, I m hoping and praying

Fm

My knees weak, I m shaking

F#

C#

Cause you know that I always needed saving

Bbm

Now I m fucking lonely

Fm

And you didn t want me

F#

Trying to show me that you didn t own me

Bbm **Fm**
 Bitch, can t even say I miss you back over the fuckin text
F# **C#**
 Every time you slept over my pad, you over fuckin slept
Bbm **Fm**
 Toni Braxton told me to breathe again, don t hold no fuckin breath
F# **C#**
 Gave your ass directions to my heart, and your ass busted left
Bbm **Fm**
 Climbin up the money tree, the tree without the lover s nest
F# **C#**
 Cause lovebirds are some busy bees, you fuck around, you stung again
Bbm **Fm**
 And you didn t leave in your underwear cause she didn t arrive in no underwear
F# **C#**
 Look, baby, even lovers burn to nothin , that be clear
Bbm **Fm**
 I can t see the forest from the tree, the water from the sea
F# **C#**
 And I was starting to believe, but it s a forest full of dreams
Bbm **Fm**
 I smoke bars full of weed, and call it what I see
F# **C#**
 And when you leave, I hope you know you bring this forest to his leaves

Bbm Fm
 I m fucking lonely
F# C#
 Leave me fucking lonely
Bbm Fm
 Leave me fucking lonely
F# C#
 Leave me fucking lonely
