The month was June

The smoky sun, our fatal run

**Eb**

It ended too soon

With tears and proof

Cause all the carpets stained with juice

Blood on my shoes

And you know love is blind

I can see it in your eyes

You know me

And honestly I m better without ya

 Bitch, can t even say I miss you back over the fuckin text  
**Eb** **Bb**  
 Every time you slept over my pad, you over fuckin slept  
**Gm** **Dm**  
 Toni Braxton told me to breathe again, don t hold no fuckin breath  
**Eb** **Bb**  
 Gave your ass directions to my heart, and your ass busted left  
**Gm** **Dm**  
 Climbin up the money tree, the tree without the lover s nest  
**Eb** **Bb**  
 Cause lovebirds are some busy bees, you fuck around, you stung again  
**Gm** **Dm**  
 And you didn t leave in your underwear cause she didn t arrive in no underwear  
**Eb** **Bb**  
 Look, baby, even lovers burn to nothin , that be clear  
**Gm** **Dm**  
 I can t see the forest from the tree, the water from the sea  
**Eb** **Bb**  
 And I was starting to believe, but it s a forest full of dreams  
**Gm** **Dm**  
 I smoke bars full of weed, and call it what I see  
**Eb** **Bb**  
 And when you leave, I hope you know you bring this forest to his leaves
