

Lonely (feat. Lil Wayne)

Demi Lovato

**G#m**

He felt just like you

**Ebm**

His arms, his lips, his promises

**E**

Were just as smooth

**B**

**G#m**

His grip, it fit though I admit that only you

**Ebm**

Could make me feel the way you do

**E**

Though you know love is blind

**B**

And he just caught my eye

**G#m**

You know me

**Ebm**

And honestly I m better without ya

**E**

**B**

Don t you got me checking on my phone by the hour

**G#m**

Baby, I m hoping and praying

**Ebm**

My knees weak, I m shaking

**E**

**B**

Cause you know that I always needed saving

**G#m**

Now I m fucking lonely

**Ebm**

And you didn t want me

**E**

Trying to show me that you didn t own me

**B**

**G#m**

But all you do is leave me fucking lonely

**Ebm**

Knees on the concrete

**E**

Cut up and bleeding for no Goddamn reason

**B**

**G#m Ebm**

But all you do is leave me fucking lonely

**E B**

Leave me fucking lonely

**G#m Ebm**

Leave me fucking lonely

**E B**

Leave me fucking lonely

**G#m**

The month was June

**Ebm**

The smoky sun, our fatal run

**E**

It ended too soon

**B**

With tears and proof

**G#m**

Cause all the carpets stained with juice

**Ebm**

Blood on my shoes

**E**

And you know love is blind

**B**

I can see it in your eyes

**G#m**

You know me

**Ebm**

And honestly I m better without ya

**E**

**B**

Don t you got me checking on my phone by the hour

**G#m**

Baby, I m hoping and praying

**Ebm**

My knees weak, I m shaking

**E**

**B**

Cause you know that I always needed saving

**G#m**

Now I m fucking lonely

**Ebm**

And you didn t want me

**E**

Trying to show me that you didn t own me

**B**

**G#m**

But all you do is leave me fucking lonely

**Ebm**

Knees on the concrete

**E**

Cut up and bleeding for no Goddamn reason

**B**

**G#m Ebm**

But all you do is leave me fucking lonely

**E B**

Leave me fucking lonely

**G#m Ebm**

Leave me fucking lonely

**E B**

Leave me fucking lonely

**G#m** **Ebm**  
 Bitch, can t even say I miss you back over the fuckin text  
**E** **B**  
 Every time you slept over my pad, you over fuckin slept  
**G#m** **Ebm**  
 Toni Braxton told me to breathe again, don t hold no fuckin breath  
**E** **B**  
 Gave your ass directions to my heart, and your ass busted left  
**G#m** **Ebm**  
 Climbin up the money tree, the tree without the lover s nest  
**E** **B**  
 Cause lovebirds are some busy bees, you fuck around, you stung again  
**G#m** **Ebm**  
 And you didn t leave in your underwear cause she didn t arrive in no underwear  
**E** **B**  
 Look, baby, even lovers burn to nothin , that be clear  
**G#m** **Ebm**  
 I can t see the forest from the tree, the water from the sea  
**E** **B**  
 And I was starting to believe, but it s a forest full of dreams  
**G#m** **Ebm**  
 I smoke bars full of weed, and call it what I see  
**E** **B**  
 And when you leave, I hope you know you bring this forest to his leaves  
  
**G#m Ebm**  
 I m fucking lonely  
**E B**  
 Leave me fucking lonely  
**G#m Ebm**  
 Leave me fucking lonely  
**E B**  
 Leave me fucking lonely
