

Lonely (feat. Lil Wayne)

Demi Lovato

**Bm**  
He felt just like you  
**F#m**  
His arms, his lips, his promises  
**G**  
Were just as smooth  
**D** **Bm**  
His grip, it fit though I admit that only you  
**F#m**  
Could make me feel the way you do  
**G**  
Though you know love is blind  
**D**  
And he just caught my eye  
  
**Bm**  
You know me  
**F#m**  
And honestly I m better without ya  
**G** **D**  
Don t you got me checking on my phone by the hour  
**Bm**  
Baby, I m hoping and praying  
**F#m**  
My knees weak, I m shaking  
**G** **D**  
Cause you know that I always needed saving  
  
**Bm**  
Now I m fucking lonely  
**F#m**  
And you didn t want me  
**G**  
Trying to show me that you didn t own me  
**D** **Bm**  
But all you do is leave me fucking lonely  
**F#m**  
Knees on the concrete  
**G**  
Cut up and bleeding for no Goddamn reason  
**D** **Bm** **F#m**  
But all you do is leave me fucking lonely  
**G** **D**  
Leave me fucking lonely  
**Bm** **F#m**  
Leave me fucking lonely  
**G** **D**

Leave me fucking lonely

**Bm**

The month was June

**F#m**

The smoky sun, our fatal run

**G**

It ended too soon

**D**

With tears and proof

**Bm**

Cause all the carpets stained with juice

**F#m**

Blood on my shoes

**G**

And you know love is blind

**D**

I can see it in your eyes

**Bm**

You know me

**F#m**

And honestly I m better without ya

**G**

**D**

Don t you got me checking on my phone by the hour

**Bm**

Baby, I m hoping and praying

**F#m**

My knees weak, I m shaking

**G**

**D**

Cause you know that I always needed saving

**Bm**

Now I m fucking lonely

**F#m**

And you didn t want me

**G**

Trying to show me that you didn t own me

**D**

**Bm**

But all you do is leave me fucking lonely

**F#m**

Knees on the concrete

**G**

Cut up and bleeding for no Goddamn reason

**D**

**Bm F#m**

But all you do is leave me fucking lonely

**G D**

Leave me fucking lonely

**Bm F#m**

Leave me fucking lonely

**G D**

Leave me fucking lonely

**Bm F#m**  
 Bitch, can t even say I miss you back over the fuckin text  
**G D**  
 Every time you slept over my pad, you over fuckin slept  
**Bm F#m**  
 Toni Braxton told me to breathe again, don t hold no fuckin breath  
**G D**  
 Gave your ass directions to my heart, and your ass busted left  
**Bm F#m**  
 Climbin up the money tree, the tree without the lover s nest  
**G D**  
 Cause lovebirds are some busy bees, you fuck around, you stung again  
**Bm F#m**  
 And you didn t leave in your underwear cause she didn t arrive in no underwear  
**G D**  
 Look, baby, even lovers burn to nothin , that be clear  
**Bm F#m**  
 I can t see the forest from the tree, the water from the sea  
**G D**  
 And I was starting to believe, but it s a forest full of dreams  
**Bm F#m**  
 I smoke bars full of weed, and call it what I see  
**G D**  
 And when you leave, I hope you know you bring this forest to his leaves  
  
**Bm F#m**  
 I m fucking lonely  
**G D**  
 Leave me fucking lonely  
**Bm F#m**  
 Leave me fucking lonely  
**G D**  
 Leave me fucking lonely
