G **Em**
There was a time

D
I was livin as a prisoner inside my own mind

G **Em**
And there was a time

D
Where the cat and mouse tried to make me

Barbie sized and I obliged

G **Em**
Pulled leather over my eyes, in a hundred-degree heat

D
People, out here gettin fired for chocolate in the backseat (It s a true story)

G **Em**
I had too much of my fill and turns out it wasn t cheap

D
People, always hung around to only want it skin deep

N.C. **G** **A**
And now I m sayin no more melon cak?s on birthdays

Bm **Em** **D/F#**
No more barricades in doorways

G **A**
Finally get to do things my way

D **Bm**
Ah, la-la, la-la, la

G **A**
