

**My Love Is Like a Star**  
**Demi Lovato**

Intro: **F Dm C Bb Bbm**

**F**  
The space in between us  
Starts to feel like the worlds apart **Dm**  
Like I m going crazy **C**  
And you say it?s raining in your heart **Bb Bbm**

**F**  
You re telling me nobody s there  
To dry up the flood **Dm**  
Oh but that s just crazy **C**  
Cause baby I told ya I m here for good **Bb Bbm**

Refrão:

**F**  
My love is like a star, yeah  
You can t always see me **Dm**  
But you know that I m always there  
When you still unshining **C**  
Take it as mine **Bb**  
And remember I m always near **Bbm**

**F**  
If you see a comet  
Baby I m on it **Dm**

Making my way back home  
Just follow the glow yeah **C**  
It wont be long **Bb**  
Just know that you re not alone **Bbm**

**F**

I tried to build the walls

**Dm**

To keep you safe when I m not around

**C**

But as soon as I m away from you

**Bb**

**Bbm**

You say they come tumbling down

**F**

But it s not about the time

**Dm**

That we don t get to spend together

**C**

It s about how strong our love is

**Bb**

**Bbm**

When I m gone and it feels like forever

Refrão:

**F**

My love is like a star, yeah

**Dm**

You can t always see me

But you know that I m always there

**C**

When you still unshining

**Bb**

Take it as mine

**Bbm**

And remember I m always near

**F**

If you see a comet

**Dm**

Baby I m on it

Making my way back home

**C**

Just follow the glow yeah

**Bb**

It wont be long

**Bbm**

Just know that you re not alone

**Dm**

**A**

You say that time away makes your heart grow up

**C**

**Dm**

But I can stay just to prove you wrong

**Bb**

Oh look at how far we ve come

Don t you know

**Bbm**

**Bb**

Don t know that you re the one

(Solo)

( **F** **Dm** **C** **Bb** **Bbm** ) (2x)
