

Neon Lights  
Demi Lovato

A

**F#m**                  **D**  
Baby, when they look up at the sky  
                  **E**                  **A**  
We ll be shooting stars just passing by  
                  **F#m**                  **D**  
You ll be coming home with me tonight  
                  **E**                  **A**  
We ll be burning up like neon lights

**F#m**          **D**                          **A**                          **E**  
Be still my heart cause it s freaking out, it s freaking out, right now  
**F#m**          **D**                          **A**                          **E**  
Shining like stars cause we re beautiful, we re beautiful, right now  
**F#m**                  **D**  
You re all I see in all these places  
**A**                  **E**  
You re all I see in all these faces  
**F#m**                  **D**                  **A**                  **E**  
So let s pretend we re running out of time, of time

**F#m**                  **D**  
Baby, when they look up at the sky  
                  **E**                  **A**  
We ll be shooting stars just passing by  
                  **F#m**                  **D**  
You ll be coming home with me tonight  
                  **E**                  **A**  
We ll be burning up like neon lights

**F#m**                  **D**  
Baby, when they look up at the sky  
                  **E**                  **A**  
We ll be shooting stars just passing by  
                  **F#m**                  **D**  
You ll be coming home with me tonight  
                  **E**                  **A**  
We ll be burning up like neon lights

Neon lights  
Neon lights  
Neon lights

**F#m**          **D**  
Like neon lights, aah...  
          **E**          **A**

Be still my heart cause it s freaking out.
