

Our Time Is Here
Demi Lovato

:]

please tell me if anything is wrong
i will gladly fix it :D

btw, this isn't meant to be played with the recording
some of the notes clash
but it sounds just fine if it's only voice and guitar :D

intro:

F Dm Bb C

F **Dm**
We're done, but it's not over.

Bb
we'll start it again

Gm **F**
After the end of the day,
Dm

it keeps getting better

Bb
Don't be afraid,

Gm
we'll do it together.

Dm
Come on, come on,

F
you know

Bb **F**
It's your time to move it's my time to move

Dm
Come on, come on,

F
let go

Bb
Leave it all behind,

Gm
your past and mine

F **Dm**
Gone are the days of summer

Bb **C**
We could nt change it if we tried
F
Why would we want to,
Dm
let s go where we got to
Bb **C**
Out paths will cross again in time
F **Dm**
It s never the same tomorrow,
Bb **C**
And tomorrow is never clear
Dm **F**
So come on, come on, you know
Dm **F Dm Bb C**
Our time, our time is here

F **Dm**
We know, but were not certain
Bb
How can we be,
Gm
how can we see what s ahead
F
The road keeps on turning
Dm
And all we can do,
Bb **Gm**
is travel each day to the next

Dm
Come on, come on,
F
you know
Bb **F**
It s your time to move it s my time to move

Dm
Come on, come on,
F
let go
Bb
Leave it all behind,
Gm
your past and mine

F **Dm**
Gone are the days of summer
Bb **C**

We could nt change it if we tried

F

Why would we want to,

Dm

let s go where we got to

Bb

C

Out paths will cross again in time

F

Dm

It s never the same tomorrow,

Bb

C

And tomorrow is never clear

Dm

F

So come on, come on, you know

Dm

F Dm Bb C

Our time, our time is here
