

Am

And take my hand

C

Grip it tighter

Cm(hold)

don't let it go

Chorus 1:

Em **Am**

Passions taking over skies

C

Leaving sand behind

Em

for them to choke on

Em

They'll try to speak

Am

Negatively about us

C

But they can't

Em

say another word

Am

They'll realize

C

Jealousy has taken

Em

over their minds

Am

and their words

C

try to break me down

Cm(hold)

But what they only

makes us stronger

(Repeat Intro)

Verse 2:

Em **Am**

Did you feel that breeze?

Em

A tide of chills swept over me

It must of been from the

Am

brush of your hand

Em

Am

Pull me into your arms

Em

A little closer baby

Am

I wanna see you standing
Next to me

Refrain 2:

Am

So take a walk with me

C

But keep the pace down

Am

I don't want this night to end

C **Cm**(hold)

Can't we runaway together?

Chorus 2:

Outro:

Em Am

The night is getting darker

Em

Soon the stars will be

Am(hold)

falling down to rescue us
