Dm
                                             Dm
 You know what? I ve been really good on my own lately
Like I don t need anybody or anything
I m feeling good by myself
But if somebody comes along
              Dm
                                                                      Dm
And they just look at me the right way and they tell the right joke (Haha)
I don t care if you?ve got a dick
I don t care if you got a WAP
I-I just wanna to love
You know what I m saying?
Like I just wanna fucking share my life with someone at some point
Cmaj7
                        N.C.
    Right now I m good though I don t need anybody, I m good
