Bm - x24432

Intro: A-A3-A-A3-C#m-- x2

Verse 1:

A **A3**

Don t try to cover

A

up your new flame

A3

that s seething

C#m

through your eyes

I can see it from

10 feet away and I know

Just who its burning

A **A3**

With every kiss you

A

deny So what makes

A3 **C#m**

you think that I

Still care or

still want you anymore

Chorus:

A **F#m**
So how long has this been
D
Going o-o-o-o-on and
E
one more thing tell me
A **F#m**
Was she the reason you
D **E**
sto-o-omped on my heart
A **A3 A A3**
And moved on
C#m
so quickly

Verse 2:

A
You can call
A3
it pure torture
A
Watching your
A3 **C#m**
every move with her
Oh, just the
thought of it
Knowing what goes on
A
between you makes me sick
A3
I should ve noticed
A **A3**
I should ve noticed
C#m
When she came into the
picture you were
always with her
F#m
And she s not leaving
A
Nuh-uh

(Repeat Chorus)

Bridge:

A
You called me shady
Bm
And now she s
your baby doll

C#m

She drove you over

Bm

Over to break it off

A

And this time just maybe

Bm

C#m

Maybe you went a little far

Bm

I m sick of crying about

F#m

A

About your new flame

F#m

A

That s soon to burn out

(Repeat Chorus)

Outro: **A-A3-A-A3-C#m, A(hold)**
