```

**G**

Summer came and took me by surprise

**Am**

The California sunshine in my eyes

**Am** **G**

Driving with the top down

**D/F#**

we sing along

**D** **G**

to our favorite song

**D**

nothing could go wrong

**G**

laughing as we gazed under the moon

**Am**

you kissed me and it never felt too soon

**Am** **G** **D/F#**

Hard to believe that anything

**D** **G**

could tear us apart

**D**

I wont let you break my heart

**C** **G** **D**

Now I know who you are

(YOU GOT NOTHIN ON ME)

**C** **G** **D**

I see I should have known it from the start

(YOU GOT NOTHIN ON ME)

**C** **G** **D**

You cant tell me lies dont even try

**C** **Cm** **G**

Cause this is goodbye

**G**

Caught you from the corner of my eye

**Am**

You smiled at a girl while passing by

C                      G                      D

Now I know who you are

(YOU GOT NOTHIN ON ME)

C                      G    D

I see I should have known it from the start

(YOU GOT NOTHIN ON ME)

C                      G                      D

You cant tell me lies dont even try

C                      Cm                      G

Cause this is goodbye
