

**What To Do**  
**Demi Lovato**

Hi! Hope these are right, just played them by ear real fast. Let me know if there are many mistakes; I ll fix them ASAP!

-----

Capo 1

[Verse]

**D A**      **Em G**  
Tell me what to do about you  
          **D**                                  **A**  
I already know what I can see in your eyes  
                                  **Em G**  
When you re selling the truth  
                  **D**  
Cause it s been a long time coming  
          **A**          **Em G**  
So where you running to?  
                  **D A**      **Em G**  
Tell me what to do about you

[Chorus]

**D**                  **A**                  **Em**  
You got your way of speaking  
          **G**  
Even the air you re breathing  
**D**                  **A**  
You could be anything  
          **Em**                                  **G**  
But you don t know what to believe in  
**D**                  **A**  
You got the world before you  
**Em**                  **G**  
If I could only show you  
**D**                  **A**                  **Em**  
But you don t know what to do

[Verse]

**D A**      **Em G**  
Tell me what to do about you  
          **D**                                  **A**  
Something on your mind, baby, all of the time  
                                  **Em G**  
You could run out of room, oh yeah

**D**

This day has been a long time coming

**A Em G**

I say it's nothing new

**D A Em G**

Tell me what to do about you

[Chorus]

**Bm**

You think about it

**Em**

Can you ever change?

**A**

Finish what you started

**D**

Make me want to stay

**Bm**

Tired of conversation

**Em**

Show me something real

**A**

Find out what your part is

**Bm**

Play it how you feel

[Verse]

**D A Em G**

Tell me what to do about you

**D A**

Is there anything, anyway

**Em G**

Won't break us in two

**D**

Cause it's been a long time coming

**A Em G**

I can't stop loving you

**D A Em G**

Tell me what to do about you

**D A Em G**

Tell me what to do about you

[Chorus]

[Outro]
