Goodbye My Love Goodbye
Demis Roussos

[Intro]
G

[Verse 1]
G   C   Bm   Em
Hear the wind sings a sad old song
 Am   D   G
it knows I m leaving you today
            C   Bm
please don t cry oh my
         Em
heart will break
      C   D   G
when I ll go on my way

[Chorus]
G   D
goodbye my love goodbye
                G
goodbye and au revoir
                   D
as long as you remember me
      C   G
I ll never be too far
                  D
goodbye my love goodbye
                   G
I always will be true
                  D
so hold me in your dreams til I
     C   D   G
come back to you

[Verse 2]
G   C   Bm   Em
see the stars in the skies above
   Am   D   G
they ll shine wherever I may roam
            C   Bm   Em
I will pray every lonely night
     C   D   G
that soon they ll guide me home

[Chorus]
G   D
goodbye my love goodbye
                G

```
goodbye and au revoir
                  D
as long as you remember me
      C             G
I ll never be too far
                D
goodbye my love goodbye
                G
I always will be true
                    D
so hold me in your dreams til I
      C    D      G
come back to you

(key change, 1 semi tone up)

[Outro]
G#                      D#
goodbye my love goodbye
                G#
goodbye and au revoir
                  D#
as long as you remember me
      C#            G#
I ll never be too far
                  D#
goodbye my love goodbye
                    G#
I always will be true
                      D#
so hold me in your dreams til I
      C#   D#      G#
come back to you
```
