

Dead Flowers
Demon Hunter

[Verse]

I feel ashamed with abandon in my heart and on my face
I suffered the blame
I would show to you this way
But I m too late
When the sorrow, it breaks them
I will replace them
For you

[Chorus]

Dead flowers for the torn apart
Laid at the grave to heal a broken heart
Let it rain until it floods
Let the sun breathe life once more
Reborn

[Verse]

Wish you the same
To walk beside and carry on this flame
To see you again
With a radiance
Of pure and holy name
When the sorrow, it breaks them
I will replace them
For you
