

**Dead Flowers**  
**Demon Hunter**

[Verse]

I feel ashamed with abandon in my heart and on my face  
I suffered the blame  
I would show to you this way  
But I m too late  
When the sorrow, it breaks them  
I will replace them  
For you

[Chorus]

Dead flowers for the torn apart  
Laid at the grave to heal a broken heart  
Let it rain until it floods  
Let the sun breathe life once more  
Reborn

[Verse]

Wish you the same  
To walk beside and carry on this flame  
To see you again  
With a radiance  
Of pure and holy name  
When the sorrow, it breaks them  
I will replace them  
For you
