

Fading Away
Demon Hunter

note: spacing of the chords in the lyrics will not stay put when i submit, but hopefully can figure it out by listening. God bless and hope you enjoy, if there are any let me know because this is my first tab... w/e you wanna call it. I would also like to thank lester2215 for putting tabs up b/c i used those tabs to into chords.

Fading Away Acoustic Chords

Capo 5th

Intro: **Am, G, F, Em**

Am

Itâ€™s in this wake that I find myself

G

Losing the will to resume this Hell

F

When every breath is a dying wish

Em

Itâ€™s harder to follow the point of this

Am C

This broken place that I call my home

G D

Has deepened the sorrow that I have sown

Am C

And I canâ€™t erase what is in my heart

G C F G Em

I want it to finish before it starts

F G Em

My own solution insufficient again

F G Em

No false illusion, this devouring threat

F G Em

I break the vessel, giving air to its red

G D

And open my fate to the darkened sky

(Chorus)

Am

Iâ€™ve been fading away

G F Em

Iâ€™ve been waiting on the call to reach my veins

Ready or not

Am G

No attention to waste

F Em

Every sorrow of the soul will read my name

When I cease to exist

Am

So now Iâ€™ve come to the final sleep

G

I pray that forgiveness is mine to keep

F

I know itâ€™s hard to forget this man

Em F G Em

Driving the failure into your hands

F G Em

My own solution insufficient again

F G Em

No false illusion, this devouring threat

F G Em

I break the vessel, giving air to its red
