Is there nothing I can say
G Asus2 Bm
When you turn around and carry on this way
G Asus2 Bm
Have you lost the path we made
G Asus2 D
When your fear had pulled you far away from grace?

D G F#m A
See you fading out again
D G F#m A

G Asus2 Bm
And if tomorrow never comes, ooooh
G Asus2
For all the cold and bitter ones
D
We can breathe
G Asus2 Bm
And if tomorrow never comes, ooooh
G Asus2
For all the cold and bitter ones
D C#5
Let us sleep

G Asus2 Bm

G Asus2 D
