

## Night Of The Demon Demon

Night of the Demon - Demon

Intro: **Dm A Bb, C F Dm**

**Dm**

There s a scream in the night

There s death on the wind

**F E Dm C Dm**

And a heartbeat that s pounding like rain

**Dm**

There s a flash in the sky

A cry of a hound

**F E Dm C Dm**

As if someone is wailing the dead

**Gm Dm**

And the nightmare begins as the Devil rides out

**Gm Dm**

From the heat thru the gates of Hell

**Gm Dm**

And there s no escape from the curse of the damned

**A5**

You better beware

**Fsus4 Gsus4 D5**

Don t you know it s the night of the demon

**C5 A#5 A**

When spirits run high

**Fsus4 Gsus4 D5**

Don t you know it s the night of the demon

**C5 A#5 A**

When spirits run high

Better lock up your doors

And get off the streets

If you fear for the reaper of souls

For they say when he rides he never returns

Till he s paid back the debt that he owes

So beware of the night

As the darkness descends the terror s about to unfold

And pray that your life will be spared of the fate

You better beware

Don t you know it s the night of the demon

When spirits run high

Don t you know it s the night of the demon

When spirits run high

And the nightmare begins as the Devil rides out  
From the heat thru the gates of Hell  
And there s no escape from the curse of the damned  
You better beware

Don t you know it s the night of the demon  
When spirits run high  
Don t you know it s the night of the demon  
When spirits run high
