

You File

Denali

C

in all this time I wait for you

D#

I staple down my heart

A#

C

won't somebody please undo this dream

C

I'll believe you when the lights come on

D#

A#

and the army starts to fight the incoming

{Chorus}

C

G#

A#

C

soon you'll be much easier to capture (2X)

G

D#

Ahhhh you so calm down

G#

C

G

any desperate thoughts I have left in me

C

D#

an acceptance missed by just a bit of laziness

A#

C

it's only the unspeakable fear

C

something's gone

D#

A#

I don't know how long it's been since it seemed this way

[Chorus]
