I cannot go back baby

Your body is like a poison  
It s like an overdose  
and I got addicted to your toxic baby  
but the way you drag me down girl  
through all these lines and rows  
gotta make it stop  
cause I cannot hold much longer

And when I go down  
aby you  
wanna go up  
baby oh  
and when I go low  
baby you  
wanna go high  
and I don t wanna fucking hurt my little girl

You can t believe that I m leaving  
but baby look at me  
maybe I m the reason that you fall back baby  
and the nights have turned into days of being a better me  
and I can t go back  
I cannot go back baby
