 throughout the song goes summat like this:

```
   Bbm                    C#          C
---------------------------------------|
---------------------------------------|
--------2--------2/-------5--------4\---|
-----2--------2--------5--------4-------|
--0--------0--------3--------2----------|
---------------------------------------|
```

Main riff only (x4)

Bbm C# C (x8)

```
    Bbm
The night is young,
    C#        C
The moon is mellow
            Bbm             C#     C
And there s music in my ears saying
    Bbm             C# C
  Is Vic there?
```

Bbm C# C

```
       Bbm
I hear ringin  in the air,
    C#           C
So I answer the phone
  Bbm             C#       C
A voice comes over clear saying
```

```
   Bbm                  C#   C
 Is Vic there?

Bbm C# C

Eb

Bbm C# C (x2)

The night is young,
The moon is mellow
And there s music in my ears saying
 Is Vic there?

I hear ringin  in the air,
So I answer the phone,
And a voice comes over clear saying
 Is Vic There?

Bbm C# C (x2)

Eb

Bbm C# C (x2)

    Bbm
The night is young,
    C#          C
The moon is mellow
             Bbm            C#       C
And there s music in my ears.
  (Bbm)         (C#) (C)
Is Vic there?

  (Bbm)         (C#) (C)
Is Vic there?           (x3)

   Bbm            C#  C
Is Vic there?        (x11)

   Bbm
Is Vic there?
```
