Freelove
Depeche Mode

Verse:
------=
```
D                               C#
If you ve been hiding from love
..
          Bbm7                          Cm7
I can understand where you re co  ng from
..
             Fm
And I m only here
                Bbm
To bring you free love
           Bm7
No hidden catch
                Cm7
No strings attached
        Fm
Just free love
```

Bridge:
------=
```
C#                Cm7
Hey girl. You ve got to take this moment
C#                     Cm7
Then let it slip away
```
