I m sure that you mean the world to me

Your name was the one that was always chosen

**E**

Your words and your kindness have set me free

**Dm**

Shame has a hold that has kept us frozen

**E**

You opened my eyes to a world that I could believe

**C**

**Gm**

And words can leave you broken inside

**F**

You ll have to decide

**Gm**

I m hanging on to my pride

We share something

When you get what you need

**A**

There s no way of knowing

**Dm**

What you ll have is another hole to feed

**Dm**

The games that we re playing, they ve left us hoping

**E**

The gift that we have, the life that we breathe

**C**

This world can leave you broken inside

With nowhere to hide

We ve been chosen

We need to find and then open
