

I want you now
Depeche Mode

BmI want you now
Tomorrow won t **F#**do
There s a yearning inside
And it s **Bm**showing **F#**through
Reach out your **G#m**hand
And accept my **E**love
We ve **G#m**waited for too long
Enough is **E**enough
I want you **Bm**now

F# Bm F#

My **Bm**heart is aching
My body is **F#**burning
My hands are shaking
My **Bm**head is **F#**turning
You under**G#m**stand
It s so easy to **E**choose
We ve got **G#m**time to kill
We ve got nothing to **E**lose
I want you **Bm**now

F# Bm F#

And I **Bm**don t mean to sound
Like **F#**one of the **Em**boys
That s **Bm**not what I m trying to **F#m**do
BmI don t want to be
Like **F#**one of the **Em**boys
BmI just want **F#**you now

Cause I ve got a **Bm**love
A love that won t **F#**wait
A love that is growing
And **Bm**it s getting **F#**late
Do you know what it **G#m**means
To be left this Eway
When everyone s **G#m**gone
And the feelings they Estay
I want you **Bm**now
