

**Lilian**

**Depeche Mode**

Verse 1:

Oh, Lillian  
Look what you ve done  
You ve stripped my heart  
Ripped it apart  
In the name of fun

Verse 2:

Oh, Lillian  
I m a poor man s son  
And precious jewels  
Weren t found in schools  
Where I came from  
Pain and misery always hit the spot  
Knowing you can t lose what you haven t got  
\*\*\*it goes on like this for the rest of the song\*\*\*
