Nailed up on the cross
While you re having your fun
As the damage is done

G Am Dm C

I knew what I was letting myself in for

G Am Dm C

I knew that I could never even the score

I ve been a martyr for love
I need to be by your side
I have knelt at your feet
I have felt your deceit
Couldn t leave if I tried

I ve been a martyr for love
Tortured every hour
From the day I was born
I ve been moved like a pawn
By the greatest of powers

I knew that I would have to suffer in vain
A way that I would never outgrow the pain
