

**Mercy In You**  
**Depeche Mode**

Intro: **Cm**

**Am**                      **B**  
You know what I need  
                         **C**  
When my heart bleeds  
                         **Em**  
I suffer from greed  
**D**                      **D#**  
A longing to feed  
**Ab**                      **Cm**  
On the mercy in you

**Am**                      **B**  
I can't conceal  
                         **C**  
The way I'm healed  
                         **Em**  
The pleasure I feel  
**D**                      **D#**  
When I have to deal  
**Ab**                      **Cm**  
With the mercy in you

**Ab**                      **Cm**  
I would do it all again  
**Ab**                      **Cm**  
Lose my way and fall again  
**Ab**                      **Cm**  
Just so I could call again  
**C#**                      **Cm**  
On the mercy in you

**Am**                      **B**  
When here in my mind  
                         **C**  
I feel inclined  
                         **Em**  
To wrongly treat you unkind  
**D**                      **D#**  
I have faith I will find  
**Ab**                      **Cm**  
The mercy in you

**Ab**                      **Cm**  
I would lose my way again  
**Ab**                      **Cm**

Be led hopelessly astray again

**Ab** **Cm**

Just so I could pray again

**C#** **Cm**

For the mercy in you

(Solo)

**Am** **B**

When here in my mind

**C**

I have been blind

**Em**

Emotionally behind

**D** **D#**

I have faith I will find

**Ab** **Cm**

The mercy in you
