

Perfect

Depeche Mode

C#m

On another world
By another star

A G#

At another place and time

C#m

In another speed of consciousness

A7 G#

In another state of mind

B A G#m G

Everything was almost perfect

B A G#m G

Everything fell into place,

B A G#m G

The jury reached a different verdict

B A G#m G F#

Before the judge dismissed the case.

C#m

In a parallel universe

A G#

That s happening right now

C#m

Things between us must be worse

A G#

But it s hard to see just how.

B A G#m G

Everything could have been perfect

B A G#m G

Everything in the right place

B A G#m G

Then I wouldn t have to play the suspect

B A G#m G F#

Accused, abandoned and disgraced

E7

I didn t choose,
I didn t pull the trigger

F#7

It wasn t me
I m just a plain and simple singer

E7

I heard the sound
I turned my head around

F#7

To watch our love shot down

C#m

In another lonely universe

A **G#**

We re lying side by side

C#m

Where no one s hurt and no one s cursed

A **G#**

And no one needs to hide

B **A** **G#m** **G**

Everything is almost perfect

B **A** **G#m** **G**

Everything is almost right

B **A** **G#m** **G**

There are never any conflicts

B **A** **G#m** **G** **F#**

There are never any fights!
