Should've been you  
If it hadn't been me

Should've been you (could've been you)  
Should've been you  
If it hadn't been me  
(Could've been you, could've been you)  
If it hadn't been me  
(Could've been you, could've been you)  
If it hadn't been me  
Should've been you (should've been you)  
(Could've been you, should've been you)  
If it hadn't been me  
(Could've been you, could've been you)  
If it hadn't been me
