(other verses/choruses as above)

Some people have to be
Permanently together
Lovers devoted to
Each other forever
Now I ve got things to do
And I ve said before that I know you have too
When I m not there
In spirit I ll be there

Here is a plea
From my heart to you
Nobody knows me
As well as you do
You know how hard it is for me
To shake the disease
That takes hold of my tongue
In situations like these.

Understand me
